Have Your Say: Connecting Millar Avenue, Walking and Cycling Improvements

The City of Saskatoon (City), along with ISL Engineering and Land Services (ISL), are planning and designing facilities for walking and cycling along Millar Avenue between 43rd Street East and Marquis Drive. The infrastructure will contribute to increased transportation options within Saskatoon by improving the accessibility, comfort, convenience, and safety of walking and cycling facilities.

The project team invites you to attend a community engagement event **Wednesday, March 27 from 5 p.m. to 8 p.m.** During this come-and-go event, participants will have an opportunity to ask questions and provide input on challenges and opportunities in the study area. Your feedback will be used by the City and ISL to assist in the development of design alternatives and inform the final design plan.

Visit saskatoon.ca/ConnectingMillarAve to see the draft plan.

Don't leave yourself out of the conversation! There are multiple ways to participate and provide us with your feedback. The online survey opens on Monday, March 11, 2024. Please submit your feedback by Monday, April 8, 2024.

Public Open House:

When: Wednesday, March 27, 2024
5:00 p.m. – 8:00 p.m.

Where: Rusty Macdonald Library, Auditorium,
225 Primrose Dr, Saskatoon.

There is free parking available around the building.

Exterior bike parking is available.

You can also get to the library by bus. Plan your route here: transit.saskatoon.ca/plan-my-trip
