

**2016 SOUND ATTENUATION PROJECT****COME & GO PUBLIC INFORMATION SESSION****December 10, 2015 6:00 p.m. - 8:00 p.m.****City Hall - Main Lobby, 222 3rd Avenue North**

Construction to build sound walls at nine locations across Saskatoon is scheduled to begin in spring/summer 2016. You are invited to attend an information session to learn about the 2016 Sound Attenuation Project. The come and go session provides you the opportunity to ask questions and view the planned designs and location of the sound wall.
