

## Do you have traffic concerns in your neighbourhood?

*Speeding? Missing sidewalks? Troublesome intersections?  
Non-local traffic shortcutting through the neighbourhood? Pedestrian safety?*

This is your chance to be heard. The City is undertaking a Neighbourhood Traffic Review for Evergreen and inviting your input. The neighbourhood is bound by University of Saskatchewan lands (east and south), Fedoruk Road (north) and Silverspring Linear Park (west).

As a result of this review, **we will be making changes** to the way all types of traffic move around your neighbourhood. Don't leave yourself out of the conversation!

There are two ways to participate and provide us with your feedback:
