## Give us your feedback on proposed traffic changes in your neighbourhood!

The City is undertaking a Neighbourhood Traffic Review for River Heights and inviting your input. This neighbourhood is bound by Primrose Drive and La Ronge Road (north), Spadina Crescent (east), Spadina Crescent and Circle Drive (south), and Warman Road (west).

This review was initiated in April 2018. Thank you to everyone that has offered us input so far. We received your feedback via the Facebook Group page, email, phone calls and in-person at the first meeting held on April 11, 2018.

We have reviewed all the concerns and followed up with data collection (e.g. traffic counts, speed analysis, field observations, etc.). The result is a draft Traffic Plan that proposes changes to the way traffic moves around your neighbourhood.

We would appreciate the opportunity to get your thoughts on our draft plan. There are three ways to participate and provide us with your feedback:
