Give us your feedback on proposed traffic changes in your neighbourhood!

The City is undertaking a Neighbourhood Traffic Review for Riversdale and inviting your input. This neighbourhood is bound by 22nd Street / rail corridor (north), Idylwyld Drive (east), 17th Street (south) and Avenue K / Avenue L (west).

This review was initiated in April 2018. Thank you to everyone that has offered us input so far. We received your feedback via the Facebook Group page, email, phone calls and in-person at the first meeting held on April 24, 2018.

We have reviewed all the concerns and followed up with data collection (e.g. traffic counts, speed analysis, field observations, etc.). The result is a draft Traffic Plan that proposes changes to the way traffic moves around your neighbourhood.

We would appreciate the opportunity to get your thoughts on our draft plan. The draft plan will be discussed at the public meeting and posted to Facebook and the Website after the meeting date. Please note that this is the last public meeting regarding your neighbourhood's new traffic plan.
