Give us your feedback on proposed traffic changes in your neighbourhood!

The City is undertaking a Neighbourhood Traffic Review for Massey Place and inviting your input. These neighbourhoods are bound by 33rd St W (north), Circle Drive (east), Milton St. (south) and Confederation Dr. (west).

This review was initiated in January 2018. Thank you to everyone that has offered us input so far. We received your feedback via the Facebook Group page, email, phone calls and in-person at the first meeting held on April 12, 2018.

We have reviewed all the concerns and followed up with data collection (e.g. traffic counts, speed analysis, field observations, etc.). The result is a draft Traffic Plan that proposes changes to the way traffic moves around your neighbourhood.

We would appreciate the opportunity to get your thoughts on our draft plan. The draft plan will be discussed at the public meeting and posted to Facebook and the Website after the meeting date. Please note that this is the last public meeting regarding your neighbourhood's new traffic plan.
